Dear Sponsor,

Thank you for signing up to be a Sponsor at the Skidabradar and Cyclone Technology Grand Opening and Expo on January 25th & 26th, 2023. We are looking forward to having you here with us. We are expecting quite the group of experts within our space of technologies, from the demonstrations and seminars to the wealth of opportunities to meet attendees from Director, Engineer, and Supervisor levels to General Contractors for airport and roads, and much more.

I wanted to give you an update on what is being provided during the two days for this opportunity, and make sure we are meeting your needs and expectations.

We will have breakfast items available on site 7:30am-9.00am for both days and of course our Texas BBQ with all the fabulous fixins' starting at 11.00 a.m.

On the following page we have outlined what to expect from your sponsorship.

Here's what we need right away so we can make this a successful event for you.

- ✓ **If you haven't already done so, please contact your rep from Cyclone or Skidabradar or use the info@ email below and get your sponsorship fee paid.**

You will receive the invite PDF no later than the second week in December. The invite will include seminar sign-up information for your customers and the full list of hotels with a Skidabradar discounted rate. For our Cyclone customers, please use the Skidabradar name for your rate. Shuttle service will be available to and from the event from these hotels. Please be sure to make your hotel reservations early as the event falls within a very busy time in Fort Worth during their famous "Rodeo Season" and they do expect the hotels to sell out.

Looking forward to seeing you there!
